

**Sustaining business** through the power of data.

 **DATANAMIX™**

# WHO ARE WE?

We are a young and energetic bunch of technocrats that loves data, compliance, and technology. We are a registered reseller Credit Bureau in terms of section 43 of the National Credit Act 34 of 2005 (South Africa).

Datanamix saves thousands of South African businesses millions of Rands every year because we understand the risk your business takes when providing credit to new or existing consumers. Our solutions are designed to reduce your company's risk by providing high-quality information that allows your brand to trade confidently and allows your brand to make informed decisions.

## WHY PARTNER WITH US

### QUALITY

Our data is of the highest quality on the market and our systems are designed for the ultimate user experience.

### CONVENIENCE

Our "one platform" approach is a game-changer. There is no need to directly register on one or more bureau systems, we offer it all-in-one.

### SPEED

If running high-volume transactions is your game, then look no further. We process millions of transactions per month in real-time at an incredible pace.

### SERVICE

Our commitment to service excellence is our major differentiator. Datanamix removes all barriers by being transparent, approachable, and committed to delivering impeccable service.
